## SCHEDULE 7: FREE FLOAT DEFICIENCIES

Companies listed on NGX are required to maintain a minimum free float for the set standards under which they are listed in order to ensure that there is an orderly and liquid market for their securities. Listed below are the free float requirements for companies listed on the various Boards of NGX:

- For Growth Board, a minimum of 10% of the issued and fully paid-up shares or the value of its free float is equal to or above ₦50 million, for entry segment.
- For Growth Board, a minimum of 15% of the issued and fully paid-up shares or the value of its free float is equal to or above ₦50 million, for standard segment.
- For Main Board, a minimum of 20% of the issued and fully paid-up shares or the value of its free float is equal to or above ₦20 billion.
- For Premium Board, a minimum of 20% of issued and fully paid-up shares or the value of its free float is equal to or above ₦40 billion.

The following companies listed in Schedule 7 below have free float deficiencies and have applied for waivers from the Managements of NGX RegCo and NGX and have provided compliance plans with tentative timelines to support their requests.

The Managements of NGX RegCo and NGX considered and approved an extended timeframe for the companies to return to compliance with their listing's requirements. The companies are also required to provide compliance reports on a quarterly basis to NGX RegCo detailing their level of implementation of the compliance plans provided. The names of the companies in this category are as follows:
